51

ADVANTAGES

ORION 51 is a highly effective yet gentle cleaner for removal of concrete and lime based residues.

ORION 51 contains special surfactants to assist in residue removal and inhibitors to protect against corrosion.

ORION 51 is easy to use, simply wet the area to be cleaned with water and apply 51 with brush or spray. Agitate to loosen the residue and rinse off with clean water.

ORION 51 may be diluted with up to 5 parts water for light applications.

Typical applications:

**Cement Trucks - Mixers - Brickwork
Tools etc**
