

**Orion**<sup>®</sup>   
LUBRICANTS

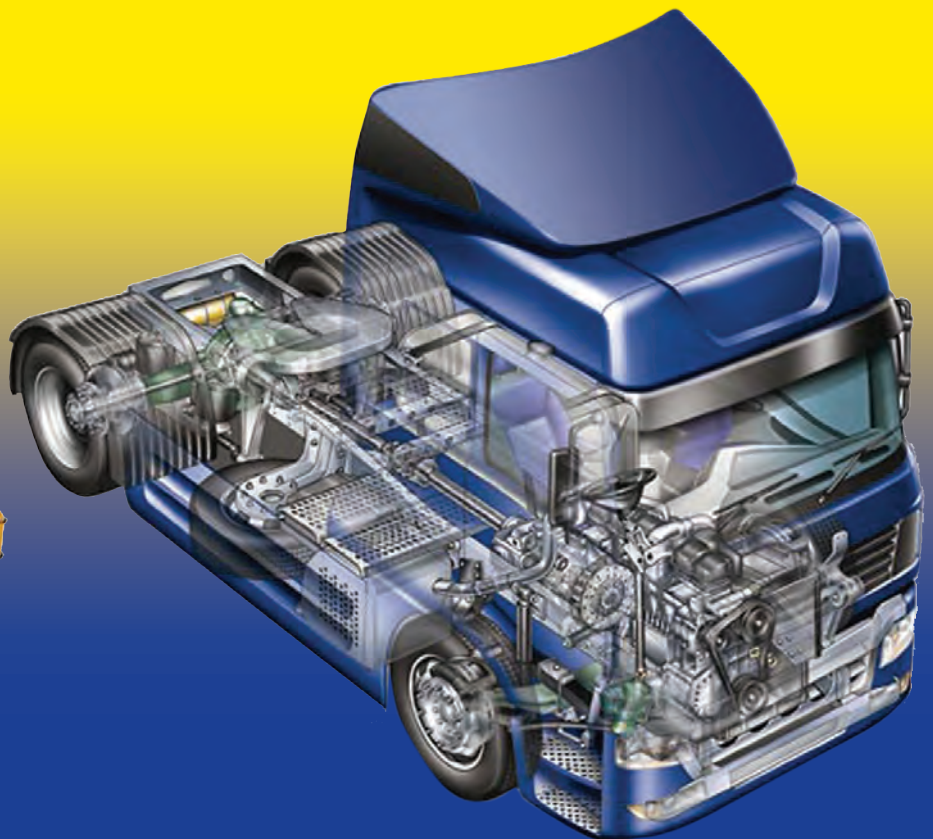

# 949

## LONG LIFE ALL VEHICLE MOTOR OIL

For practically all motor types, diesel and gasoline.

Provides exceptionally high protection even for extended drain intervals.

Ideal for mixed vehicle parks simplifying maintenance.

# 949

**Orion**<sup>®</sup>   
LUBRICANTS

## ADVANTAGES

**ORION 949** is specially developed motor oil where diversified engine types are used, gasoline and diesel.

**ORION 949** has exceptional anti wear and anti-corrosion properties protecting valve train and internal parts from wear and corrosion.

**ORION 949** has highly stable viscosity ensuring easier cold starts and improved oil pressure in hot running conditions.

**ORION 949** meets requirements of all motor types, gasoline, diesel, turbo charged engines for extended drain periods under harsh conditions.

**ORION 949** superior formulation will greatly extend the service life of equipment and reduce operating costs.

## Typical applications:

Recommended for use in:  
All diesel and gasoline engines
